PURPOSE

USA Compression GP, LLC (the “*General Partner*”), acting in its capacity as the general partner of USA Compression Partners, LP (the “*Partnership*”), is responsible for the management of the Partnership. In such capacity, the General Partner is responsible for the preparation, integrity and objectivity of the financial statements of the Partnership and for establishing and maintaining a system of internal accounting and disclosure controls of the Partnership. It is the responsibility of the independent auditors to express an opinion as to the conformance of the Partnership’s financial statements with generally accepted accounting principles based upon their audit. The Audit Committee is a standing committee of the Board of Directors of the General Partner (the “*Board*”). Its primary purpose is to assist the Board in its oversight of (1) the integrity of the financial statements of the Partnership, (2) the compliance by the General Partner and the Partnership with legal and regulatory requirements, and the Partnership’s Code of Business Conduct, (3) the independent auditor’s qualifications and independence and (4) the performance of the Partnership’s internal audit function and independent auditors.

MEMBERSHIP

The Audit Committee shall be composed of not fewer than three members, all of whom (i) meet the independence criteria set forth in the Partnership’s Corporate Governance Guidelines, as well as the independence and experience requirements of the New York Stock Exchange (the “*NYSE*”), Section 10A(m)(3) of the Securities Exchange Act of 1934, and the rules and regulations of the Securities and Exchange Commission (the “*SEC*”) and (ii) are financially literate and have sufficient financial experience and ability to enable them to discharge their responsibilities as specified in this Charter. In addition, at least one member of the Audit Committee shall meet the requirements of and be considered an “audit committee financial expert” as defined by the SEC. An Audit Committee member may simultaneously serve on the Audit Committees of more than two other public companies if the Board determines that such simultaneous service will not impair the ability of such member to effectively serve on the Audit Committee and such determination is disclosed in the Partnership’s annual proxy statement or, if the Partnership does not file an annual proxy statement, in the Partnership’s annual report on Form 10-K filed with the SEC. Members shall be elected annually by the Board for terms of one year, or until their successors shall be duly elected and qualified. Audit Committee members may be replaced by the Board.

AUTHORITY AND RESPONSIBILITIES

The Audit Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the General Partner and the Partnership. The Audit Committee shall have the authority, to the extent it deems necessary or appropriate to carry out its duties, to retain independent legal, accounting or other advisors. The General Partner shall provide the Audit Committee with appropriate funding, as determined by the Audit Committee in its capacity as a committee of the Board, for payment of (1) compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the General Partner or the Partnership, (2) compensation to any independent counsel or other advisors engaged by the Audit Committee, and (3) ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

In fulfilling their responsibilities, it is recognized that members of the Committee are not full-time employees of the General Partner. It is not the duty or responsibility of the Committee or its members to conduct “field work” or other types of auditing, legal, or accounting reviews or procedures. The General Partner’s management is responsible for preparing the Partnership’s financial statements for the General Partner and the Partnership and the independent auditors are responsible for auditing those financial statements.

Unless he or she believes to the contrary (in which case, he or she will advise the Committee of such belief), each member of the Committee shall be entitled to assume and rely on (1) the integrity of those persons and organizations within and outside the General Partner that it receives information from and (2) the accuracy of the financial, legal, safety, health and environment, and other information provided to the Committee by such persons or organizations.

The following shall be the usual recurring activities of the Audit Committee to assist the Board in fulfilling the oversight responsibilities described above.
